PROFILE

Annabelle Buo Ramos-Hermoso is a career educator with three decades in Philippine public education. A Master Teacher at San Jose Elementary School (Makati) since 1995, she has progressed from Teacher I to Master Teacher I and served as Grade Level Consultant across school-improvement, selection, records and quality-assurance committees. She holds an MA in Education (Educational Management & Supervision), has completed doctoral units, and is a licensed professional teacher.

She has authored self-learning modules and mathematics textbooks, trained teachers for the Mathematics Teachers Association of the Philippines, and facilitated national in-service training. As Chief Operating Officer of School Aid MTÜ she runs day-to-day operations and programme delivery across all programmes — Morocco, the Philippines and Venezuela — applying DepEd-standard classroom and curriculum expertise.
